**Don't
get SORE THROAT
let the best of you . . .**

FIVE minutes after you rub on Musterole your throat should begin to feel less sore! Continue the treatment *once every hour for five hours* and you'll be astonished at the relief.

This famous blend of oil of mustard, camphor, menthol and other ingredients brings relief naturally. Musterole gets action because it is a "**counter-irritant**"—not just a salve—it penetrates and stimulates blood circulation and helps to draw out infection and pain. Used by millions for 20 years. Recommended by doctors and nurses.

Keep Musterole handy—jars and tubes.
To Mothers—Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.
